

THE PROGRAM

Philosophy is the study of the nature of reality, knowledge, and value. It is a discipline that seeks to understand the fundamental principles of existence and the human condition. The program offers a rigorous and comprehensive education in philosophy, preparing students for careers in law, business, education, and public service. The curriculum includes courses in logic, metaphysics, epistemology, ethics, and political philosophy. Students are encouraged to engage in critical thinking and to develop their own philosophical perspectives.
